

Orchard Primary School
Christchurch Road
London
SW2 3ES

5th July 2012

Dear Orchard Primary School,

On behalf of Build Africa, I would like to thank you for your kind donation of £373 from Orchard Primary School.

This gift will go towards projects being carried out at your linked school Miti Mingi in Kenya. Our main aims this year are to build and furnish 2 classrooms and a new toilet block so this is a fantastic contribution to these projects. Your donation is the equivalent of approximately 50 desks enabling 3-4 students to sit at a desk instead of the hard floor. It might be fun at some point to have one of your lessons on the floor to highlight the importance of desks. Concentration levels, quality of work are all factors.

Thank you again for your donation.

Yours sincerely

Katharine Clark
