

## ORCHARD SCHOOL VISIT TO NIGHTINGALE JEWISH CARE HOME (JUNE 2012)

Name: Zubaida class: Y5

### What we did

- Made pottery
- Helped the elderly
- Made friends with the elderly, talked with them

### Favourite activity

I liked talking with the residents and asking them about their religion.

### What I learnt

#### **Some things I learnt about elderly people:**

That they need some people to talk with them and they need some company

#### **Some things I learnt about the Jewish faith:**

- Their sacred day is Saturday
- They wear a hat and a shawl
- They have a lot of similar words in Arabic and Hebrew

#### **My other learning points:**

- They need a lot of help in whatever they were doing.
- They keep forgetting things.
- People can live up to 100 years or more.

### How does the visit link to our school mission statement?

A strong community partnership

### Next steps

#### **Other things I would like to know more about**

What do they do when they are bored?

#### **What I think we could do to follow up this visit**

They and us could have a visit to the park and talk about religion

### Other comments

I had fun and learnt about the pain they have gone through

## **ORCHARD SCHOOL VISIT TO NIGHTINGALE JEWISH CARE HOME (JUNE 2012)**

Name: Abdulkadir class: Y4

### **What we did**

- Talking to the old people
- Looking at the synagogue

### **Favourite activity**

My favourite activity was talking with the old people because they are really fun.

### **What I learnt**

#### **Some things I learnt about elderly people:**

You need to be kind to them because they are disabled.

#### **Some things I learnt about the Jewish faith:**

It is similar to the Islamic faith.

#### **My other learning points:**

How old people are less able to do things

### **How does the visit link to our school mission statement?**

It is to link to the community.

### **Next steps**

#### **Other things I would like to know more about**

How they get out and about.

#### **What I you think we could do to follow up this visit**

Talk to old people.

## **ORCHARD SCHOOL VISIT TO NIGHTINGALE JEWISH CARE HOME (JUNE 2012)**

Name: Hanan      Class: Y5

### **What we did**

- Talk to the residents
- Get to know them and why they are there

### **Favourite activity**

My favourite activity was learning about what they did in school.

### **What I learnt**

#### **Some things I learnt about elderly people:**

They need lots of help and special attention because of their physical needs.

#### **Some things I learnt about the Jewish faith:**

They have many similarities to Islam.

#### **My other learning points:**

They cannot walk anymore so they use wheelchairs.

### **How does the visit link to our school mission statement?**

Learning about our community

### **Next steps**

#### **Other things I would like to know more about**

Their past and present – how it made them who they are

#### **What I think we could do to follow up this visit**

Invite them to our school and visit us so they can remember their school.
