Dear Miti Mingi School,

We are writing to you from Orchard Primary School, which is a Muslim school in London, the capital of England.

Orchard Primary is a unique school with special huts and beautiful grounds.

Our class have been learning about Kenya. We had a Kenya day in which we tasted Kenyan food, designed posters and made prints of Kenyan patterns.

When learning about Kenya and the Miti Mingi School we felt we should support you. We have raised £373 to contribute towards resources so that your learning improves.

We hope you enjoy reading our leaflets and messages and look forward to a reply.

Yours Sincerely
