

SATs RESULTS HISTORY

At the end of Key Stage 1 (Year 2) and Key Stage 2 (Year 6), pupils complete Standard Attainment Tests (SATs). Until the end of the academic year 2015, pupils were expected to achieve level 2 at the end of Year 2 and level 4 at the end of Year 6. Going forward, all schools nationally will be moving towards 'assessment without levels.'

Our aim is for all pupils to make good to outstanding progress during their time at Orchard. Pupils entering with low attainment levels need to make much stronger rates of progress in order to reach the expected levels for their age. Our goal is to ensure pupils achieve strong progress rates and achieve outcomes that are above national figures. Each year the school sets ambitious targets for every class. Additional provision is put into place to help any pupils identified as falling behind. The tables below outline our trend in terms of results for the last five years:
