

PE AND SPORTS PREMIUM FUNDING 2013/14

The school was allocated £8260 for improving PE and sports. The school carried out a range of activities to help achieve this aim.

Objective	Evaluation
Maintain awareness of the importance of sports and fitness across the school	<p>Sources of evidence:</p> <ul style="list-style-type: none"> • PE lesson plans • Lesson observations • Discussions with the Orchard School Improvement Partner (Lambeth LA) • Written feedback from pupils and staff • Feedback from the PE coach • Feedback from Ofsted inspectors (the school underwent a Section 5 inspection in March 2014, please refer to the inspection report) <p>A range of activities took place beyond PE lessons that helped to raise awareness of the importance of sports and fitness:</p> <ul style="list-style-type: none"> • Whole school themed week with a focus on health and fitness (spring term) • Whole school sports day (summer term) • Football matches with a partner school (summer term) • Discussions with pupils (e.g. as part of the PE lessons and the lunchtime playground input from the PE coach)
Increase teacher confidence in delivering PE lessons	<p>Weekly PE coaching support for teachers took place during the year. As a result, there has been a good level of improvement in teacher confidence and skill. PE teaching and learning is consistently good or better across the school.</p> <p>Links were made with SMSC to ensure pupils' skills were built up through the PE lessons (e.g. working as a team and the giving and receiving of constructive feedback on performance).</p> <p>Pupils have identified how their skills have improved and what they have particularly enjoyed.</p>
Improve the range of curriculum PE on offer	<p>The PE curriculum met the requirements of the National Curriculum.</p> <p>The range of sports covered through lessons improved.</p> <p>Consideration was given to the forthcoming changes to the PE curriculum to be implemented from September 2014.</p>
Improve the range of after school PE on offer	<p>After school provision took place in the form of a sports club. It offered a variety of sports during the course of the year. Feedback from those taking part was very positive. Pupils identified how they benefitted from the provision (e.g. improving skills, better fitness and having fun).</p> <p>Break time activities led by the coach were very popular, offering a range of activities (e.g. football skills development, hockey, bat and ball games and skipping). This helped to build on the skills developed in the PE lessons and to ensure pupils had further opportunities for getting exercise.</p>
Improve range of resources for use in PE lessons	<p>PE equipment was audited and any gaps identified were addressed by purchasing a range of equipment to support curriculum delivery.</p>
