% 2 levels progress English OR Reading and Writing	Rdg:100 88 Wtg:92 91	96 96	96 96	The expected standard has been raised since 2016 and the accountability framework for schools has also changed. These changes mean that the expected standard this year is higher and not comparable with the expected standard used in previous year's statistics. It would therefore be incorrect and misleading to make direct comparisons showing changes over time (*)
